

ANNP.uk

An organisation run by
ANNPs FOR ANNPs

Enhancing the education, communication and representation of Advanced neonatal nurse practitioners

Our current achievements include:

- ✓ Setting up a national contact directory to help ANNPs network together
- ✓ Organising educational and practice-related meetings for ANNPs to attend
- ✓ Publication of a regular newsletter discussing issues relevant to ANNPs

We have been supported by Chiesi Pharmaceuticals, and they have helped us set up our register and administer meetings. Their Seminars Co-ordinator may use the register to send out our meeting information on our behalf.

Have you signed up yet?

If you haven't signed up yet, you won't be able to receive the newsletter, information relating to meetings or contact details of other ANNPs. Information will be circulated only to other ANNPs on the register - so what are you waiting for?
Fill in the form overleaf and send us your details!
