Annual General Meeting & Forum on Clinical Governance in Perinatal Care

to be held on Wednesday 17 September 2008

at the Royal College of Paediatrics & Child Health, 5-11 Theobalds Road, London

June 2008

Dear Colleague

As you know, the format of the BAPM Annual Meeting has changed this year as the scientific part of the meeting was replaced by 'Perinatal Medicine 2008' held recently in Harrogate. It was good to see so many of you there for what I think all were agreed was an excellent conference. We are required by our constitution to hold an Annual General Meeting and this will take place on 17 September at the new RCPCH premises in Theobalds Road, London. The AGM will take place in the morning as usual and will be followed after lunch by a session on Clinical Governance in Perinatal Care.

We will begin this session by considering lessons to be learnt from serious untoward clinical incidents across the UK, and this will be followed by a talk on the NPSA Neonatal Care Bundles by Professor Neena Modi. The session will be chaired by Professor David Field who will by then be BAPM's newly appointed President.

We hope that as many of you as possible will be able to attend and contribute to what promises to be a stimulating and enlightening afternoon. As this meeting is effectively an 'extra' in the BAPM calendar of events, we have kept costs to a minimum and the fee for attending will be £10 to cover lunch and refreshments.

Please print and complete the form below to register your attendance and return it to the BAPM Office, 5 – 11 Theobalds Road, London WC1X 8SH.

With best wishes

Yours sincerely

Dr A Bryan Gill
Honorary Secretary
